**In the paragraph below, identify parts of speech of the underlined words in their various forms. Do your best!**

Quick! Make a choice. Would you prefer to be a painter, sculptor, musician, poet, or philosopher? Leonardo da Vinci was not only all of these things but also an inventor, a biologist, an astronomer, a geologist, and a mathematician. Leonardo was born near Florence, Italy in 1492. In his early thirties, he painted *The Last Supper*. Within a short period of time, he painted the *Mona Lisa*, the most famous painting in the world at the time. During his lifetime, he was a recognized artist, yet his notebooks also contained sketches of fantastic inventions. There are drawings of an airplane, a helicopter, and a submarine. Leonardo da Vinci was centuries ahead of his time.
